

The OVERCOAT is the ultimate option for workers who already wear prescription glasses but need additional eye protection in hazardous environments. The single-piece polycarbonate lens easily fits over existing frames due to its fully adjustable features, including three-point lens inclination and co-moulded thermoplastic temples, allowing a four-point length setting for a customised fit.

**KEY FEATURES**

- ❖ Lightweight
- ❖ Fits over prescription glasses
- ❖ Co-injected rubber temples
- ❖ Moulded cheek/brow and side coverage
- ❖ Lens inclination adjustable to 3 positions
- ❖ Temple length adjustable to 4 positions
